Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant was shown that new subject matter has been introduced in the amended specifications as presented from the previous Office action being re-introduced at the meeting. Applicant indicated that he wishes to benefit of the priority date of the original application and accepted to revert the specification back to how it was when originally filed and base thereon to prepare a response to the earlier Office Action art rejection. Applicant also expressly wrote a note asking the Office to disregard the recently re-submitted proposed amendments which has been identified as containing new matter issues. Further, additional instructions concerning how to submit a proper amendment were given to Applicant in order for him to prepare the next re-submitted amendment. Applicants was also notified that an possible delay by the Office due to the electronic process of scanning papers is likely to be expected and should additional instructions(e.g. time extension and fees) be needed, the Applicant would be updated promptly.
